1 As a result, I am suddenly overwhelmed with preparation for filing of memorandums on
2 the franchise issue with the Arizona Corporation Commission, submission of exhibits and
3 witnesses for the Arizona Corporation Commission by **June 1**, the SEC case, for which my
4 answer must be completed by **June 5**, production of documents to Smartcomm's attorney by
5 **June 4**, preparation of Opening Brief for Appeal on **June 2** and preparation for a hearing with
6 the Arizona Corporation Commission beginning **July 13** and scheduled until **July 30**.
7

8 It is clearly evident that most of the due dates and hearing dates are in the first week of
9 June while today, on Sunday, May 31 at 6:18 PM, I am writing this (**see attached Exhibit "Case**
10 **Deadlines Updated"**).
11

12 Obviously, I have been placed in an overwhelming position with no representation,
13 funds for representation and insufficient time to produce by **June 1, 2015** my complete
14 Witness and Exhibit Lists, and my position on my relationship to the offering described in the
15 Commission's Notice of Opportunity for Hearing.
16

17 At this time I am asking you, Administrative Law Judge, Marc E. Stern, to postpone my
18 **June 1, 2015** production date to **June 23, 25 or 26**.

19 Thank you for your consideration.

20 DATED: June 1, 2015
